

# JH Biotech, Inc.

Biotechnologies for Safer Agriculture

## FALL NEWSLETTER 2013

### Natural Wet Added to CDMS

JH Biotech, Inc. has added its popular wetting agent, Natural Wet, to the CDMS label web site. JH Biotech products are also featured on the Agrian label web site. We currently have over 90 product labels available on Agrian.

### JH Biotech Is Growing

Texas Warehouse

The warehouse facility in San Antonio, TX officially opened on August 8, 2013 and the first order shipped out the next day, August 9, 2013!

### New Faces

JH Biotech welcomes the following new employees:

Erica Rodriguez	Receptionist	Ventura Office
Elizabeth Ambriz	Human Resources Assistant	Ventura Office

### Soft Products

JH Biotech, Inc. specializes in "Biotechnologies for Safer Agriculture". This has been our motto for over 25 years. JH Biotech does not manufacture any toxic pesticides. In fact, our Fosphite fungicide is categorized as a "Reduced Risk" fungicide by the U.S. Environmental Protection Agency (EPA). We are also the leader in organic products with 28 OMRI listings. Conventional growers can "get softer" by using one or more JH Biotech, Inc. products.

### Early Booking Program

JH Biotech, Inc. has launched the Early Booking program for growers in the desert regions. Customers can get up to 3% back for early orders. For more information contact your JH Biotech, Inc. salesman.
